See It
Hear It
—Then You'll Want It

You'll pass our store today or tomorrow. In the window you will see the Columbia Grafonola, a beautifully finished and scientifically designed instrument. Step inside and ask to play any record you wish on the Columbia Grafonola.

Then you will hear reproductions of exactly what the artists themselves produced on the original wax—nothing more and nothing less. The straight metal one-piece tone arm allows the music to develop fully and naturally. Then there's the only Non Set Automatic Stop. Nothing to move or set or measure. Just start the Grafonola, and it plays and stops itself.

Be sure to hear the Columbia Grafonola, hear it—then you'll surely buy it.
